\*\*Candidates must have a laptop computer with WiFi/Hotspot Capability for Phase II.

### **Phase III Mandatory Mentoring Phase (Post Resident)**

Phase III should start within 5 Days of Phase II Completion, dependent on CBP Credential Issuance Date. Phase III is lead based and not a set duration. When credentials are issued and if casework/leads are available, an expected completion of Phase III could easily occur within 30 calendar days. Management will ensure candidates have priority for casework/lead assignment.
